

All the thrills, all the chill.

Looking for adrenaline-pumping action or relaxed adventures? The FX Cruiser SVHO has it all. Open the throttle and you'll discover an impressive sports machine ready for extreme performance, or just go smooth and enjoy the scenery with the best cruising features and innovations.

Add some cutting-edge cool to your cruise. From our unique revolutionary RiDE® system and lightweight hull to the exclusive electronic control systems and the supercharged 4-stroke 1,812cc engine, this super-powerful WaveRunner is packed with innovative technology and engineering.

Power up the adventure. The new seven-inch touch screen ConnexT® display with Enhanced Drive Control gives you more options with Economy, Towing, Performance, Comfort and Customisable drive modes. The range of colours available suits a variety of tastes, from the elegant shades of the Dusty Navy to its second-year released Limited Edition in Black Solid with fresh new dark orange matte details.

- Supercharged SVHO 1,812cc engine with EFI
- Longest, most comfortable hull in the range
- Revolutionary RiDE® system for intuitive control
- Seven-inch display with Enhanced Drive Control Modes
- Unique 4-step tilt-adjustable steering system
- Luxurious two-piece, three-person tiered seat
- Audio integrated with control via display
- Smartphone synchronisation capability
- Easy access glove box
- Improved ergonomics and increased wind protection
- GPS chart plotter ready

All the thrills, all the chill.

Looking for adrenaline-pumping action or relaxed adventures? The FX Cruiser SVHO has it all, in either the standard or the Limited Edition in Black Solid with fresh new dark orange matte details. Open the throttle and you'll discover an impressive sports machine ready for extreme performance, or just go smooth and enjoy the scenery with the best cruising features and innovations.

Awesome performance, and incredible handling. The supercharged Yamaha SVHO engine works beautifully with the sleek body shape and lightweight hull to deliver awesome performance with stable, agile handling, all complemented by our revolutionary and intuitive-to-use RiDE® control system.

The cutting-edge all-electronic control systems make the FX Cruiser SVHO a leader in comfort, convenience and control, with features like Cruise Assist, three-position No Wake Mode, electronic reverse and TDE. (Thrust Directional Enhancement Control) and theatre-style seating for three.

Enhanced Drive Control Modes

Intuitive riding experience through the new ConnexT® display featured Enhanced Drive Control modes: Economy, Towing, Performance, Comfort and Custom. The last allows you to pre-set a top-speed limit and an acceleration curve, making it the perfect partner for novice riders. Set a steady speed on longer trips for maximum economy.

Aerodynamic shape

The capable hull of the FX model cuts through the water, providing stability on any offshore adventure. Impressively rigid and robust, it gives these machines awesome on-water performance with stunning acceleration, higher top speed, greater economy and an even more comfortable ride.

Electronic control; another riding revolution

Our sophisticated Electronic control system will delight you with its "intelligent" features. Use Cruise Assist to set and maintain exact speeds, the three-position No Wake mode to navigate through low-speed areas and electronic Reverse-assist and TDE. (Thrust Directional Enhancement) for ultra-low speed manoeuvring and docking

Supercharged, DOHC, 16V 1,812cc engine

The amazing SVHO® (Super Vortex High Output) engine produces smooth, flexible power and features highly efficient cooling and air intake systems as well as strong engine internals. The large Hyper-Flow jet pump helps turn that power into electrifying acceleration and the Electronic Fuel Injection (EFI) provides smooth and efficient power output.

Unique simple-to-use security system

With this innovative system there's no separate remote control to worry about, just use a PIN code to set and unset your security and control modes via a touch on the ConnexT® display screen.

Electronic Trim System

This remarkable system offers complete control of the trim position on the fly. Using the two buttons by the left-hand grip, simply click the trim in to pull a tight turn, and click out again to blast away. The clear read-out of the trim position while on the move is another feature of the stylish latest ConnexT® colour display.

Engine

Engine type	Supercharged 4-cylinder, 4-stroke, Super Vortex High Output Yamaha Marine Engine
Lubrication system	Wet sump
Supercharger	Yes
Displacement	1,812cc
Bore x stroke	86mm × 78mm
Compression ratio	8.5 : 1
Pump type	160mm axial flow
Fuel	Unleaded premium Gasoline
Fuel supply system	Electronic Fuel Injection
Fuel capacity	70L
Oil capacity	5.3L

Dimensions

Length	3.58m
Width	1.27m
Height	1.23m
Dry weight	397 kg

Features

Storage capacity	168.3L
Rider capacity	1-3 persons

FX Cruiser SVHO

All information in this brochure is given for general guidance only and is subject to change without prior notice. We should all exercise **POWER WITH RESPONSIBILITY** and help preserve the great sporting opportunities and enjoyment we all derive from our involvement with personal watercraft. You must recognise too, that your Yamaha WaveRunner is actually a boat, so please learn and follow all the rules of the sea and waterways, take professional instruction where possible, and obey local rules and regulations, which may differ greatly from area to area. The photographs featured show boats being driven by professionals and no recommendation or guidance in respect of safe operation or style of use is intended or implied by the publication of any of these images. Read all instruction materials carefully before setting out and **ALWAYS** wear recommended protective clothing and a life preserver or lifejacket when boating. **NEVER DRINK AND RIDE.**
