

Supercharge your adventure.

Bring a big grin to your face as you get your heart racing and conquer the waves with the latest FX SVHO. Be ready to supercharge adventures your way in luxury and performance, the two distinctive sides of this outstanding WaveRunner.

Add some cutting-edge cool to your ride. This super-powerful WaveRunner is packed with innovative technology and engineering from our unique revolutionary RiDE® system and lightweight hull to the exclusive electronic control systems and the supercharged 4-stroke 1,812cc engine.

Let the thrill begin. The new seven-inch touch screen Connex® display with Enhanced Drive Control gives you more options with Economy, Towing, Performance, Comfort and Customisable drive modes. Attention to detail, the striking Black Solid design and sheer build quality add even more to the package and the result is guaranteed excellent performance.

- Supercharged SVHO 1,812cc engine with EFI
- Longest, most comfortable hull in the range
- Revolutionary RiDE® system for intuitive control
- Seven-inch display with Enhanced Drive Control Modes
- Unique 4-step tilt-adjustable steering system
- Smartphone synchronisation capability
- Audio integrated with control via display
- Easy access glove box
- GPS chart plotter ready

Supercharge your adventure.

Bring a big grin to your face as you get your heart racing and conquer the waves with the latest FX SVHO in the striking Black Solid colour. Be ready to supercharge adventures your way in adrenaline-pumping luxury and performance, the two distinctive sides of this outstanding powerful three-seat touring WaveRunner.

Don't compromise on comfort or performance. The supercharged SVHO engine and capable hull are a perfect double act; smooth, impressive power, coupled with stable, agile handling for a supremely comfortable ride.

Cutting-edge technology and innovation are fully packed in this astonishing design with our revolutionary and intuitive RiDE® control system, adaptive electronic trim, Cruise Assist and integrated security feature. The FX SVHO now also comes with an integrated audio system, so you can listen to your favourite summer tunes in style.

RiDE® system (Reverse with Intuitive Deceleration Electronics)

The revolutionary RiDE® system transforms your riding pleasure, bringing a feeling of confidence to every rider, at every level. Simply pull the throttle lever on the right hand-grip to move forwards and accelerate. Pull the lever on the left hand-grip to slow down or to reverse. Yes, it's really that simple.

Unique simple-to-use security system

With this innovative system there's no separate remote control to worry about, just use a PIN code to set and unset your security and control modes via a touch on the Connex® display screen.

Multi-Mount Accessory System

Wouldn't you like to have a way to take your chosen accessories with you when you set off for a day on the water? The Multi-Mount system means you can take your GPS or fish finder. Or maybe your GoPro. Or even your cup of coffee securely mounted to the great-looking body of the FX.

30% more storage for even bigger adventures

We've designed approximately 30% more easy-access storage into our FX models so your adventures can be longer and take you further. There are cleverly integrated, practical storage solutions all over: a very large watertight glove box compartment, generous storage under the seats, at the bow and stern.

Supercharged, DOHC, 16V 1,812cc engine

The amazing SVHO® (Super Vortex High Output) engine produces smooth, flexible power and features highly efficient cooling and air intake systems as well as strong engine internals. The large Hyper-Flow jet pump helps turn that power into electrifying acceleration and the Electronic Fuel Injection (EFI) provides smooth and efficient power output.

Seven-inch colour touch screen display

See the bigger picture in full colour on the largest screen we offer on a WaveRunner. It's GPS map-ready and complete with smartphone synchronisation.

Height	1.23m
Dry weight	396 kg

Features

Storage capacity	168.3L
Rider capacity	1-3 persons

FX SVHO

All information in this brochure is given for general guidance only and is subject to change without prior notice. We should all exercise **POWER WITH RESPONSIBILITY** and help preserve the great sporting opportunities and enjoyment we all derive from our involvement with personal watercraft. You must recognise too, that your Yamaha WaveRunner is actually a boat, so please learn and follow all the rules of the sea and waterways, take professional instruction where possible, and obey local rules and regulations, which may differ greatly from area to area. The photographs featured show boats being driven by professionals and no recommendation or guidance in respect of safe operation or style of use is intended or implied by the publication of any of these images. Read all instruction materials carefully before setting out and **ALWAYS** wear recommended protective clothing and a life preserver or lifejacket when boating. **NEVER DRINK AND RIDE.**
