

All-round amazing.

Whether you're piercing through the waves, or gently cruising across the bay, the VX DeLuxe is your perfect partner for any style of adventure. Three cylinders and 1,049cc of high output, for purest excitement, combined with a NanoXcel2® deck which delivers easy handling and complete comfort.

Adding breathtaking excitement to your ride. Innovative technology and engineering are at the core of the VX DeLuxe. From our unique, revolutionary RiDE® system and lightweight hull, to the exclusive electronic control systems and the top-notch 4-stroke 1,049cc engine, this stunning VX DeLuxe is an ultimately versatile machine that allows you to live life to the luxe.

- Powerful High Output 1,049 cc, 3-cylinder engine
- Easy-access, multi-function 4.3" colour display
- Revolutionary RiDE® system for intuitive control
- Huge and practical storage with 114 litre capacity
- Convenient self-draining footwells
- Excellent ergonomic driving position
- Adventurous styling, colours and graphics
- Easy re-boarding with extended re-mount platform
- Tow hook and large integral mirrors
- Large, watertight glovebox and separate phone storage
- Extended re-mount platform with Hydro-Turf mats

Let the excitement begin. An optional Yamaha Music integrated audio system provides ultimate sound clarity and quality at any speed. A fresh colourway, enhanced graphics and details, optimum features, and sheer build quality add even more to the package. The result is a guarantee of excellent performance and premium comfort.

All-round amazing.

Whether you're piercing through the waves, or gently cruising across the bay, the latest VX DeLuxe delivers ultimate versatility and enjoyment on the water. The 3-cylinder, 4-stroke TR-1 High Output Yamaha Marine engine provides plenty of excitement, combined with a whole range of great features and functionality to enhance your riding pleasure. And with its sporty silhouette complemented by racing inspired red with black and grey accents plus on-trend graphics, you'll look as great as you feel.

Versatility tops the charts of the many factors that make the VX models one of our most sought-after personal watercraft. An impressive performance repertoire that takes you from the adrenaline-pumping excitement of water sports to relaxed explorations of charming waterways and hidden coves inspires enduring loyalty.

Live life to the full. The VX DeLuxe is a stand-out premium watercraft, delivering a potent blend of high-performance excitement, precision handling, riding comfort and outright style. With a lightweight NanoXcel2® deck, the VX DeLuxe is a sure bet for the ultimate riding experience.

RiDE® system (Reverse with Intuitive Deceleration Electronics)

The revolutionary RiDE® system transforms your riding pleasure, bringing a new feeling of confidence to every rider at every level. Simply pull the lever on the right hand-grip to move forward and accelerate, and pull the lever on the left grip to slow down or reverse. With the bonus of Reverse Traction Control, it really is that simple.

4.3-inch multi-function colour display with fast access

Among its many hallmarks, the easy-to-read Connex® display helps you control and monitor all the systems on board, using the fast-access buttons below the handlebar. Top speed and acceleration limits can also be entered from here, along with the PIN code, activated learning and security settings. We've put the latest technology to work for you.

Easier re-boarding with redesigned steps and more grips

The latest VX DeLuxe will appeal to water sports fans, with its large dual mirrors, an extended rear platform with an enhanced, more comfortable re-boarding step, and a strong tow hook. The stylish, comfortable, slip-resistant Hydro-Turf mats are another bonus safety feature to look forward to after going for a swim.

High Output, DOHC, 16V, 1,049cc engine

The VX DeLuxe is powered by our innovative High Output, a 3-cylinder, 1,049cc WaveRunner engine. This remarkable machine packs a real punch and offers extraordinary acceleration and great top-end power, with economy and comfort features integrated.

Extensive and practical storage facilities

The latest VX DeLuxe has ample amounts of storage space (114 litres) so that you can take everything you might need along with you. Not only do we ensure plenty of space under-seat and bow storage, but in addition, the very large, watertight glove box has blue LED accent lighting, USB and 12 V outlets to secure and charge your telephone.

Sleek, modern design and striking graphics

We wanted the latest VX DeLuxe to look good as well as feel good, so we've added a powerful, attractive graphics scheme that's sure to catch the eye as you blast across the water. With the stunning colours and modern design, it's sure to look great at the dock too.
